YE DID RUN WELL

"Ye did run well; who did hinder you that ye should not obey the truth?" (Gal. 5:7). Paul was upset how quickly the brethren in Galatia had swayed from the truth (Gal. 1:6). They had without hesitation responded to the gospel, and seemed to be dedicated to the cause. And then the Judaizer teachers came and convinced some to question their faith.

What happened to the Galatian brethren continues in the church today. We all have family and friends who at one time were faithful to the Lord, and then fell away. Some because of the world while others departed following denominational dogma.

We must all keep our eyes on the Lord and follow the guidance given to us in the Holy Bible. The race is not won until one crosses the finish line. It is just sad when we see the multitude of people who are stranded on the sidelines.

So let's all run well! Never allowing ourselves to be distracted from our goal. We can make it to heaven. We can finish the race! We can achieve the prize!
