Recently we celebrated Memorial Day. I wonder how many know what was the war that holds the highest death rate in America? It was the Civil War. Over 655,000 men lost their lives on the battlefield. It was a war where brother fought against brother.

In like manner, the church has had her many battles. And sadly our heaviest losses have not been against Satan and his disciples, but our own brothers and sisters. Paul wrote to the brethren at Galatia who were warring against one another, *"But if ye bite and devour one another, take heed that ye be not consumed one of another"* (Gal. 5:15).

We at the Paulding need to appreciate the peace and security we have in this congregation. We have two awesome elders, and kind loving members. That didn't happen over night. I'm sure you have had your difficulties through the years. No doubt you have had your struggles, but you endured. Howbeit, you rose from the ashes to be the strong, diligent, and caring people you are now.
