Matthew 25:14-30 cites the parable of the talents. Verse fifteen reads, *"And unto one he gave five talents, to another two, and to another one; to every man according to his several ability; and straightway took his journey."*

This parable teaches that two things can happen with the talents God gives us. First, one can use his talents to increase his profits. And, second, one can bury them in the sand.

One thing is for sure, you will give account for how you used those talents. To aid us, the elders have proposed a visitation program to reach not only the erring Christians, but to make contact with people in the community. This allow us to put to use the talents God gave us and to do our small part for the Savior who bled for us.

So with our "several ability" what has been tarnished by nonuse can be polished. And all this is done, not for our glory, but for our brother Jesus.

So please, get on board with the program, and let's start using our talents!
