"For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse" (Rom. 1:20).

"Who is the image of the invisible God, the firstborn of every creature. For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him." (Col. 1:15, 16).

"Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever" (1 Tim. 1:17).

"By faith he forsook Egypt, not fearing the wrath of the king: for he endured, as seeing him who is invisible" (Heb. 11:27).

Above are the only five verses in the bible that uses the word "invisible" when speaking about God. The logical deduction is the fact that being invisible does not make our Father less God, nor does it limit His abilities. Some of the most dangerous things are naked to the human eye, but we know they exist. Whether it be the diseases that plague this world or the gases that allow all living things to maintain an equilibrium; our livelihood is depended on maintaining these invisible necessities.

And we should all be aware of the rewarding presence of the invisible. The Lord may not be seen with the human eye, but His power and might are truly noted and appreciated. Even further, there will come a day when the invisible becomes visible!
